Bollinger Special Cuvee NV Champagne Jeroboam (3 ltr)

Model : -

Manufacturer : -

Country: France Region: Champagne Category: Champagne - Non-Vintage Description: Bollinger Special Cuvee NV Champagne Jeroboam (3 ltr) A rich, biscuity nose with a hint of summer fruits. On the palate, full flavours of nuts and toast and some citrus characters abound, balanced by excellent acidity. The Special Cuvee is the purest expression of Bollinger's style. Grape Variety: 60% Pinot Noir, 25% Chardonnay, 15% Pinot Meunier. Background: Bollinger uses only the 'cuvée' juice in the making of Special Cuvee. Depending on vintage, 100% of Grand Cru's and part of the Premier Cru's are barrel fermented. Bollinger uses small stainless steel tanks to conduct the fermentation of the other cru's. Special Cuvee is a blend of wines coming from the most recent harvest, and also wines from previous harvests, including reserve wines held in magnum. After second fermentation, Special Cuvee then ages in cellars for at least 3 years. After riddling and disgorging Special Cuvee then rests in cellars for a minimum of 3 months prior to shipment. Pairing with food: Perfect chilled as an aperitif, or served with plain sushi, pata negra ham, lobster, scallops, grilled sea bass, quail, or cheeses such as Chource or Brie. Review: 'You are either into Bolly or you're not. It is rich, full, firm, imposing, masterful, heady, mouth-filling, intense, aromatic, weighty, serious and takes no prisoners. And, if you're not into Bolly, you're missing something. Of course, I realise the taste of wine is personal and purely subjective, but surely Bolly can transcend that - it is omnipotent after all!' Matthew Jukes, The Wine List 2007 'The weighty, full Bollinger style is rich on the palate and long on the finish but it has elegance too. A big personality.' Giles Fallowfield, Decanter Magazine - August 2005 THIS PRODUCT IS FOR COLLECTION ONLY.
