A set of 2 fantastic Riedel Grape Vinum Syrah/Shiraz wine glasses!

This shape was developed between 1993 and 1995 following tastings in the major Syrah growing regions, when most influential winemakers contributed their views on how the message of their wines should be put across. The wines made from the Australian grape variety Shiraz, give a deep purple, almost inky color. The nose resembles intense, rich blackberry aromas. The flavors on the palate show mouthfilling fruit, massive structure and a long sweet finish.

The Syrah glass highlights the tannins, offering a perfect balance with the overwhelmingly concentrated fruit. All Riedel glasses are dishwasher safe.

The Riedel glass designs are based on the exceptional characteristics of each grape variety, which in turn determines the shape, size and rim diameter of the bowl.
